THE FLOWERS THAT BLOOM IN SPRING

1. BAILOUT BLUES

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

Corn field, cotton patch
Ain't no way to make your money back
Prime your rows, pull your weeds
Sonny P. givin' out bags of seed
Mmhmm
Got the bailout blues

Weatherman, weatherman
Tell me 'bout the weather, man, if you can
Crops are flooded, crops are dry
Everybody talkin' 'bout a reason why

Soy beans pilin' up
D.C. playin' at who-do-you-trust
Don't you worry, good times are comin'
Workin on a plan to keep your tractor runnin'

Drive your truck to the loadin' dock
Rollin in while the prices drop
Wanna make a livin' on a family farm
Try sellin' off the chickens in the family barn

You can't sell, you can't buy
Storin' it up while the tariffs rise
One man, one vote
Throw it away and that's all she wrote

2. LONELY ARE THE BRAVE

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

The eggs are gettin' hard
Sit down before the bacon burns
I'll pour the coffee while you settle down
Why can't you settle down
Why can't you settle down

Gimme that worn out shirt
Let me mend that tear
You're hard on everything
Not just the clothes you wear
You're hard on everything

Can't tell you what you don't wanna hear
Can't show you what you don't wanna see
You're hard on everything

You know I love you
But you can't keep comin' round
Too many years are slippin' by
And I know you'll never change
You're never gonna change

Got an offer on the place
It's time - I'm gettin' out
Can't keep hangin' on this way
You'll never settle down
You'll never settle down

3. I THOUGHT YOU WERE A GOAT #1

by Rayna Gellert
(Willow Garden Music/ASCAP)

4. PLEASE HELP ME, I'M FALLING

by Don Robertson & Hal Blair
(Warner Chappell Music/Demi Music)

Please help me, I'm falling in love with you
Close the door to temptation,
Don't let me walk through
Turn away from me darling,
I'm begging you to
Please help me, I'm falling in love with you

I belong to another whose heart has grown cold
But I promised forever
To have and to hold
I can never be free, dear,
But when I'm with you
I know that I'm losing my will to be true

Please help me, I'm falling and that would be sin
Close the door to temptation,
Don't let me walk in
For I mustn't want you,
But darling I do
Please help me, I'm falling in love with you

5. IRONWOOD (YOU'RE MINE)

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

Art school, art house, Art Blakey
I'm loving what you're diggin' on lately
Cool cat, cool head, cool breeze
You're mine

Good food, good faith, good graces
High bar, high stakes, high places
In dutch, in deep, in all
You're mine

Never know how it's all gonna shake down
Got a plan till it all starts to break down
Only thing I can be sure of
You're mine
You're mine

Hot lights, hot nights, going crazy
It's too late, nothing gonna save me
Done deed, done well, done gone
You're mine

Big shot, big bang, big trouble
Seeing clear seeing you seeing double
I'm in, my friend, the end
You're mine

6. THE ONLY THING WORTH SAVIN'

by Kieran Kane
(Kieran Kane Music/ASCAP)

When I made up my mind to come home
I didn't even close the door
There was nothing in that place where I lived
That I needed anymore

I told the old man down the hall
What's mine is yours, take what you need
I believe the only thing worth savin'
From this life I've been livin'
Is me

There's an old worn out couch
Where I tossed and turned
And didn't get much sleep
And there's a broken coffee pot
And some dirty dishes
Layin' in the sink

And there's a double bed
With all the empty space
That a lonely man could need
But I believe the only thing worth savin'
From this life I've been livin'
Is me

I made a mess of everything
When I walked out on you, and that's a fact
Now I'm standing here the way I left,
With just my clothes on my back
I know I've got no right to be here
But I am
Praying you'll agree
That the only thing worth savin'
From this life I've been livin'
Is me

7. AUGUSTUS

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

Strange how youth goes passing by
I vividly recall the nights
We'd lie awake, my friend and I
Pining for the sea

We made a plan
I'd stow away
Mmmm
Had I but known

Augustus comes to me in dreams
Unbidden, in the darkest scenes
I watch him slip beneath the waves
A young man's joy led to the grave

8. GOLDEN TICKET

by Eric Merrill
(Pahsimeroi Song/ASCAP)

9. BACK WHERE WE BELONG

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

Train on the island, whistle blowing high
Three hours on the local
Slowly draggin' by
I'm gonna meet you back where we belong
Back where we belong

Used to know a brakeman worked along this line
Weather's always changin'
Ain't seen him for some time
I'm gonna meet you back where we belong
Back where we belong

Start a lazy fire, enough to calm the chill
Sweep away the cobwebs
Flowers on the sill
I'm gonna meet you back where we belong
Back where

Train on the island, whistle blowing high
Three hours on the local
Slowly draggin' by
I'm gonna meet you back where we belong
Back where we belong

10. UNCLE BILL

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

Fare you well, Uncle Bill
See you when the sun goes down
Meet you back on 4th Street
Once I make my rounds

Light the lamp, smoke your pipe
I'll get there when I'm through
Hope there's half a bottle left when I do

Down along the Putnam road
Saw my old friend John
Showed me how his garden grows
Walked around the pond

Pulled a banjo off the wall
Sang an old love song
Wish I coulda stayed a while
But had to move along

I can't wait to smell the smoke
Hear the creak of those old stairs
I know you'll be waiting
Waiting for me there

A deck of cards, a pocketknife
I tried to bring along
Must've lost them on the way
And night is comin' on

There must be another way
I'm sure I'm goin' wrong
Nothin' seems familiar
This road I'm walkin' on

Fare you well, Uncle Bill
See you when the sun goes down
Meet you back on 4th Street
Once I make my rounds

11. THE FLOWERS THAT BLOOM IN SPRING

by Kieran Kane & Rayna Gellert
(KFPK Music/SESAC & IGPN Music/ASCAP)

There's a flower that blooms
On the side of a hill
Once a year
And then it dies

Is that who we are
A flower that blooms
A moment in time
And then we're gone
